Please **AMEND** the paragraph that begins on page 26, line 7 as follows:

Although the present invention has been described with respect to a preferred embodiment thereof, those skilled in the art will note that various substitutions may be made to those embodiments described herein without departing from the spirit and scope of the present invention. For example, the rebate amount need not be the price of the previously-purchased issue. In one embodiment the rebate amount may be based on the price of a plurality of issues. A parent case of the present application, U.S. Patent Application No. 09/136,147, entitled "METHOD AND APPARATUS FOR ESTABLISHING A SUBSCRIPTION TO A PERIODICAL", filed on August 18, 1998, now abandoned describes a method and apparatus for providing free issues that may be incorporated with the present invention to provide free issues in exchange for establishing a subscription to a periodical.
